Silence. An anxious teacher peers at an empty classroom, awaiting the arrival of students. The empty halls echo only the sound of an expectant administrator's footsteps. Nerves on edge, rolls on their desks, and pens in hand, the staff watches the seconds tick off. All is peaceful and orderly. August 22, 1977. There is a feeling of anticipation in the halls of C. E. King High School. Suddenly the 7:55 bell splits the air, almost without warning, the calm and order is replaced by the mass hysteria that is accompanied only by the start of a new year. The nine month ritual has begun . . .

I'll bet Pat Mitchell's hero is the Fonz!

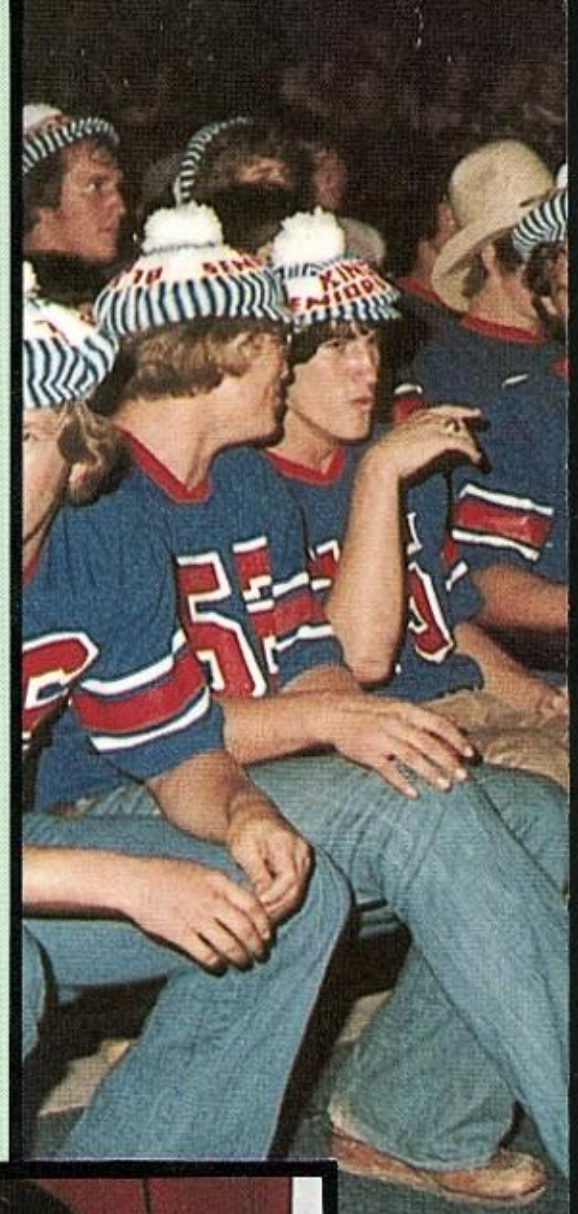
Mr. Wathen Sneak--ers in a few minutes to rest.

So, as always, began the first day of school with all its excitement, confusion, and just a little hesitancy. The building still stood on C. E. King Parkway, we still had the school colors of blue and white, and football still reigned as the favorite sport. Yet, with these constants the year proved to be one of many changes. The year held many adventures for the entire student body, but the seniors seemed to feel it the most, with more fear and hesitancy than excitement.

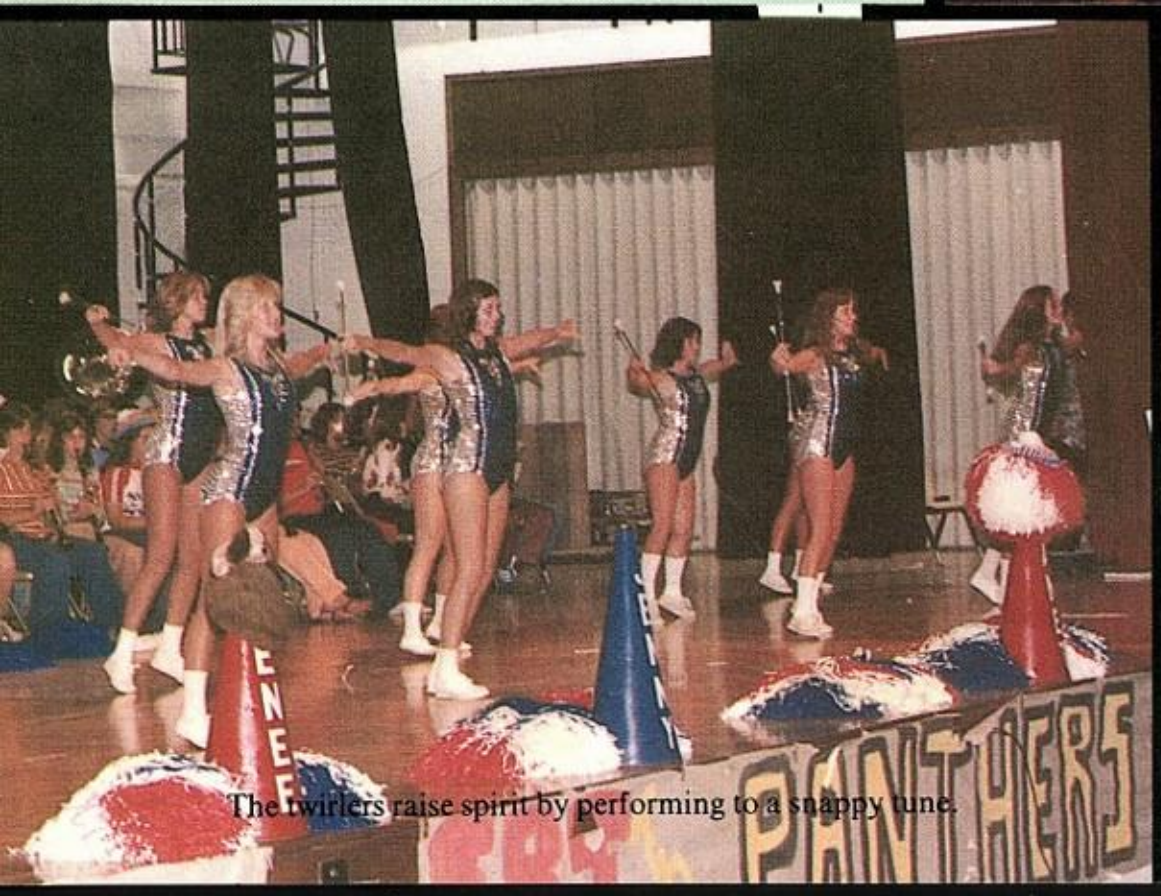
Randy Peeler, Mark Walls, and Diana Harms wonder how they got mixed up in a Pep rally skit.

Even though the bond issue had been passed, the lunchroom was not completed until late in the year, so students were divided randomly into two lunch periods, both A or B. Each lunch period was devoted to lunch, but often, was spent wading through the crowded lunch area. Once a student got his lunch (no small task in itself) he was then forced to search for a place to sit and socialize with friends who, invariably, had been placed in another lunch.

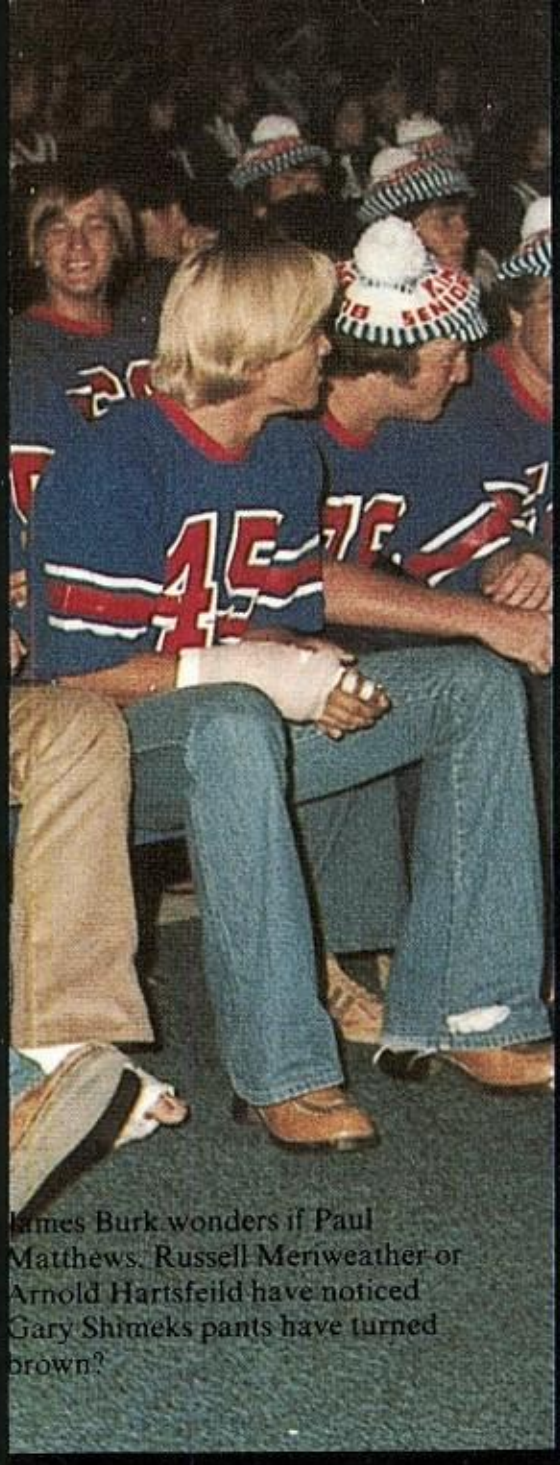
The past ten years have seen King through white socks, teased hair, and many new additions to the school, the peace sign, mini skirts, long sideburns, Watergate, inflation, the energy crisis, and plenty of peanuts. Not to be outdone 1977 would be known as the year of longer dresses, boots, shorter hairstyles, and phrases such as "Check ya Later", "For Real", "Errrr", and "It's the Pitts" echoing the halls. All of this formed a school year some would hope to forget, and others could not help but to remember.



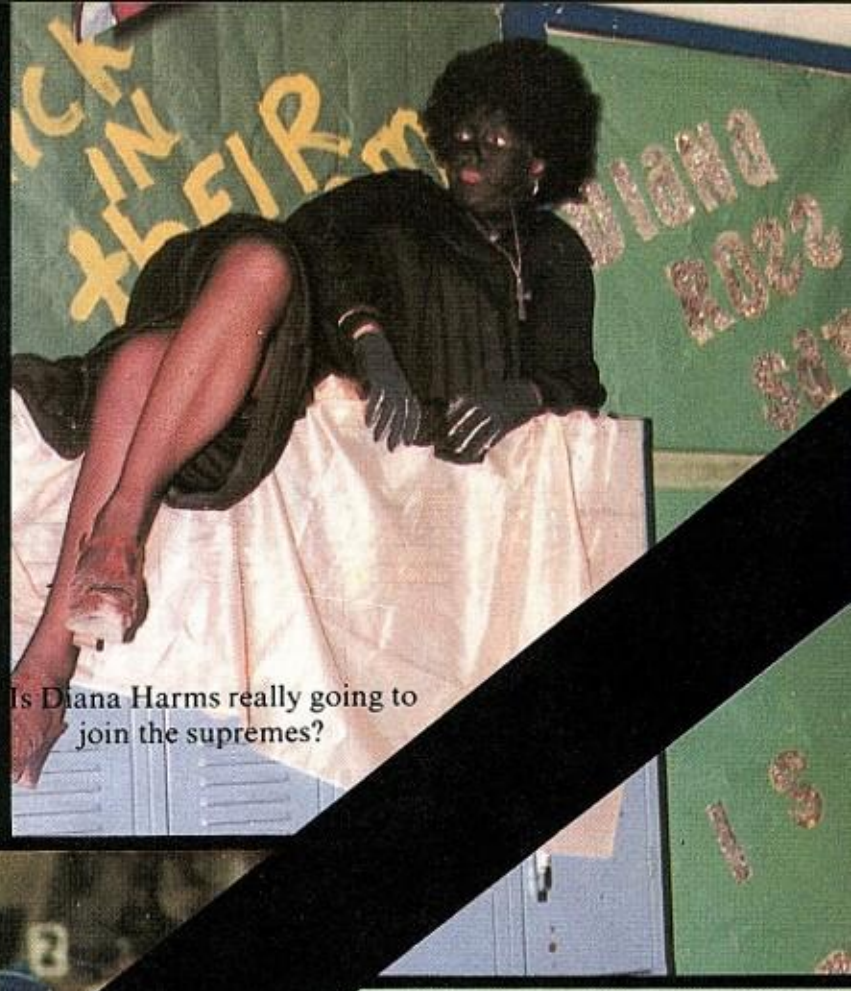
Vanessa Kelley and Janet Cryer take a break during a pep rally.



The twirlers raise spirit by performing to a snappy tune.



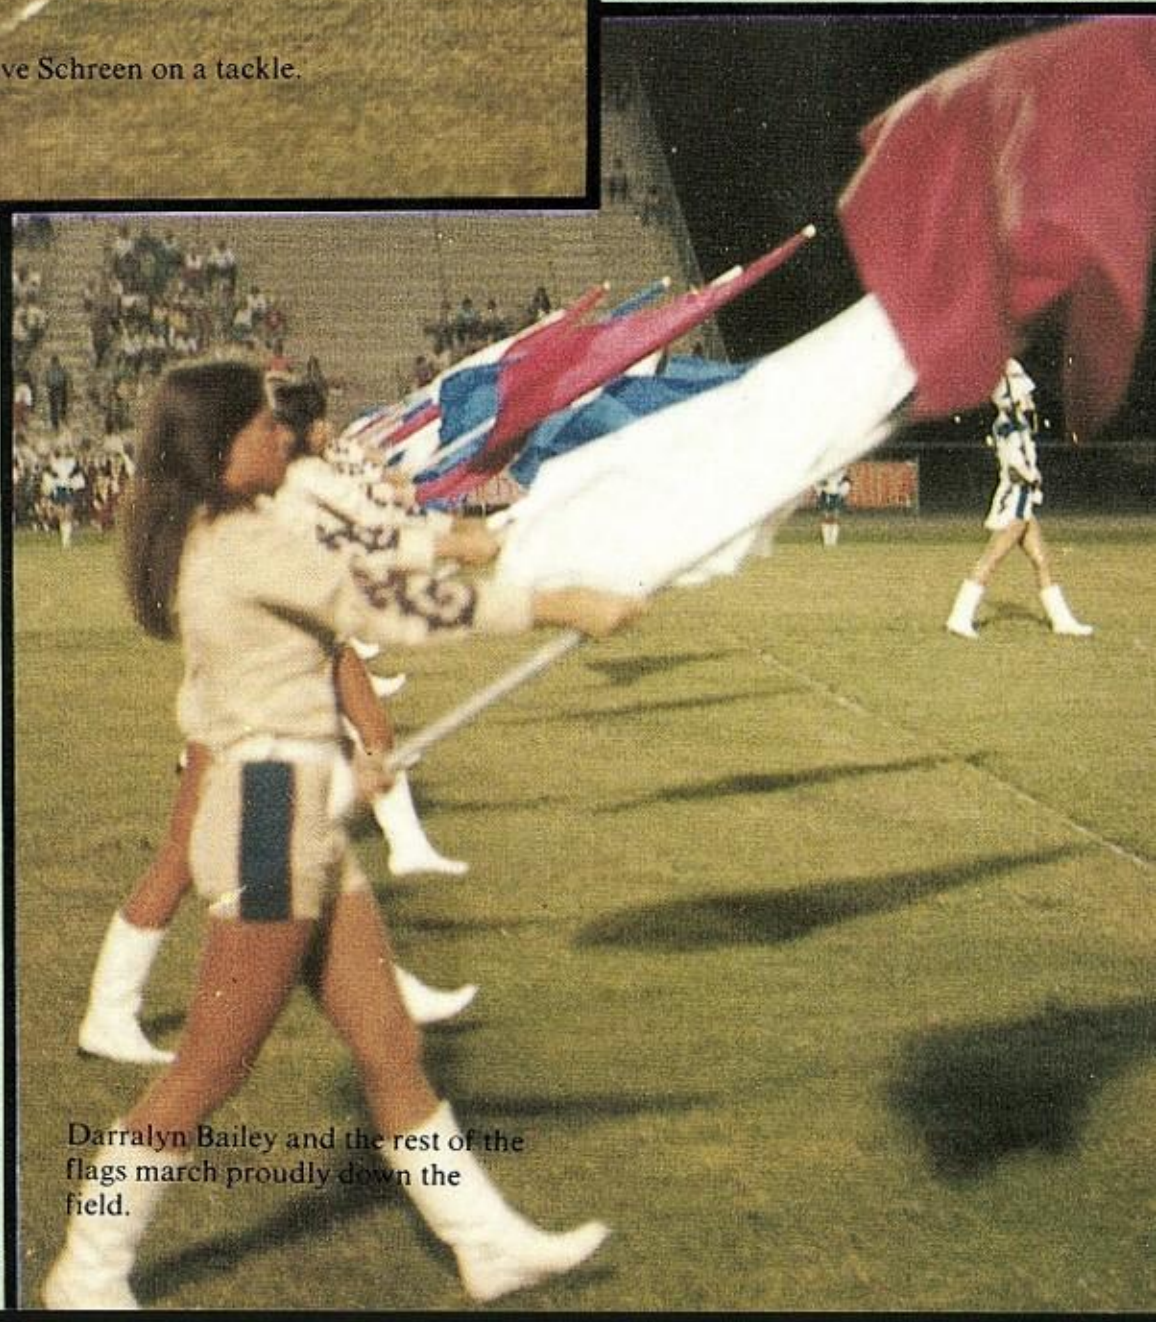
James Burk wonders if Paul Matthews, Russell Meriweather or Arnold Hartsfeild have noticed Gary Shimeks pants have turned brown?



Is Diana Harms really going to join the supremes?

James Burk #86 runs to help #84 Steve Schreen on a tackle.

Through all of its uncertainties and demands, school continued undaunted by any student effort. Somehow students managed to stabilize themselves through the ups and downs of another year at school, lasting relationships and temporary ones, true love and heartaches, grades and tests, good games and bad ones, but mostly through each other. When it was all over and the newness had worn off, the pains forgotten, and the memories lingering on, it was the close ties and experiences that brought this varied mass of people close enough to call one another "friends".



Darralyn Bailey and the rest of the flags march proudly down the field.

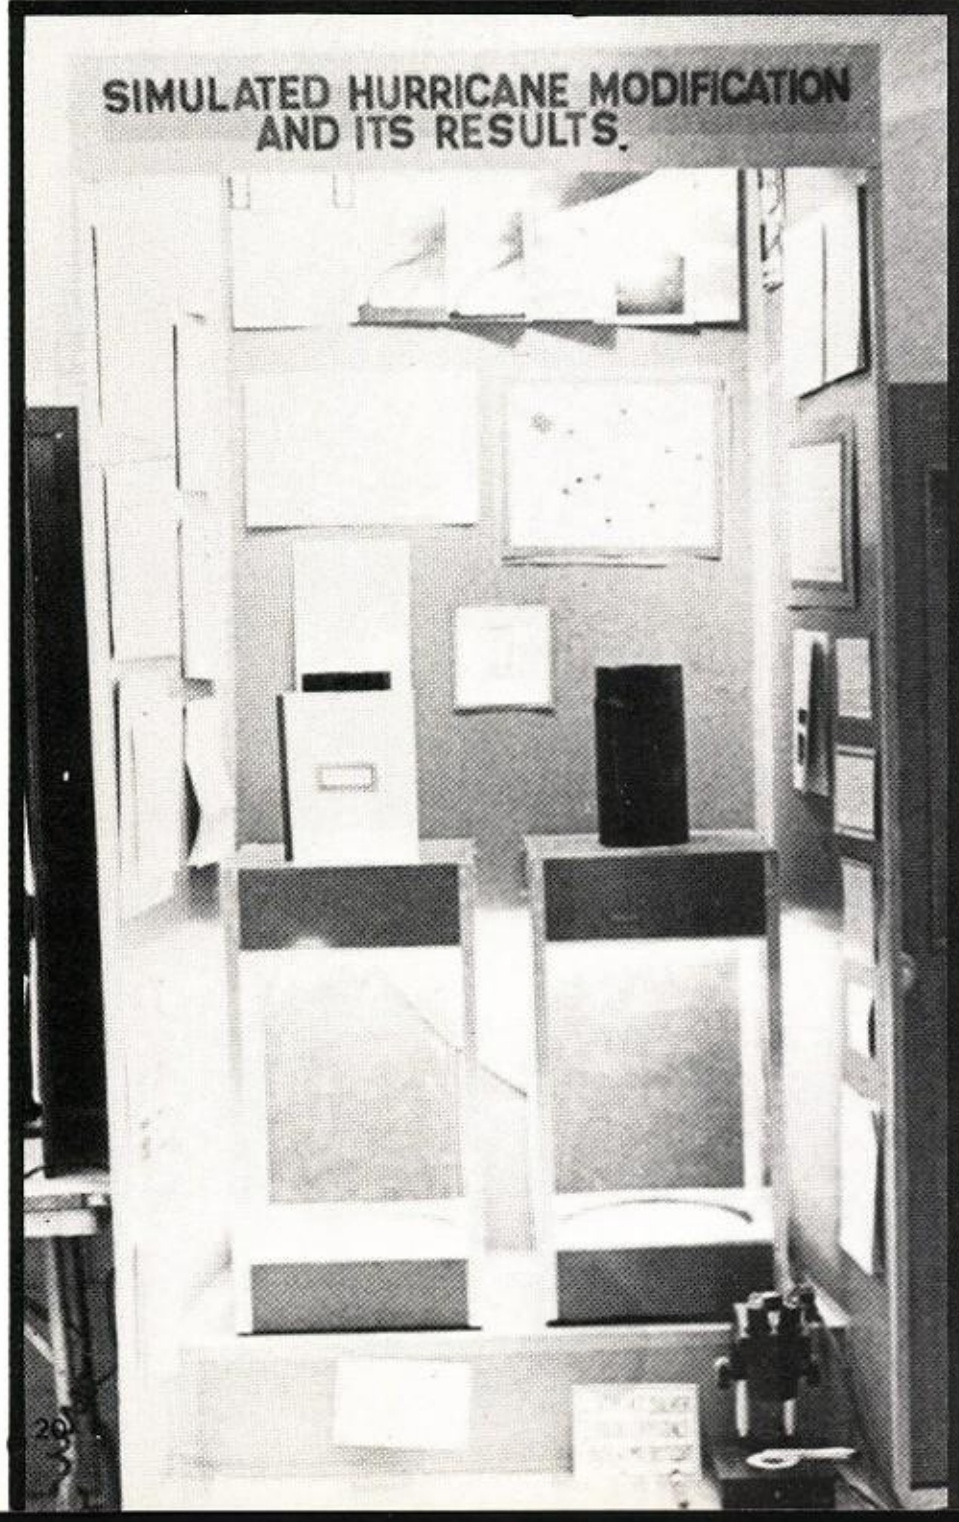
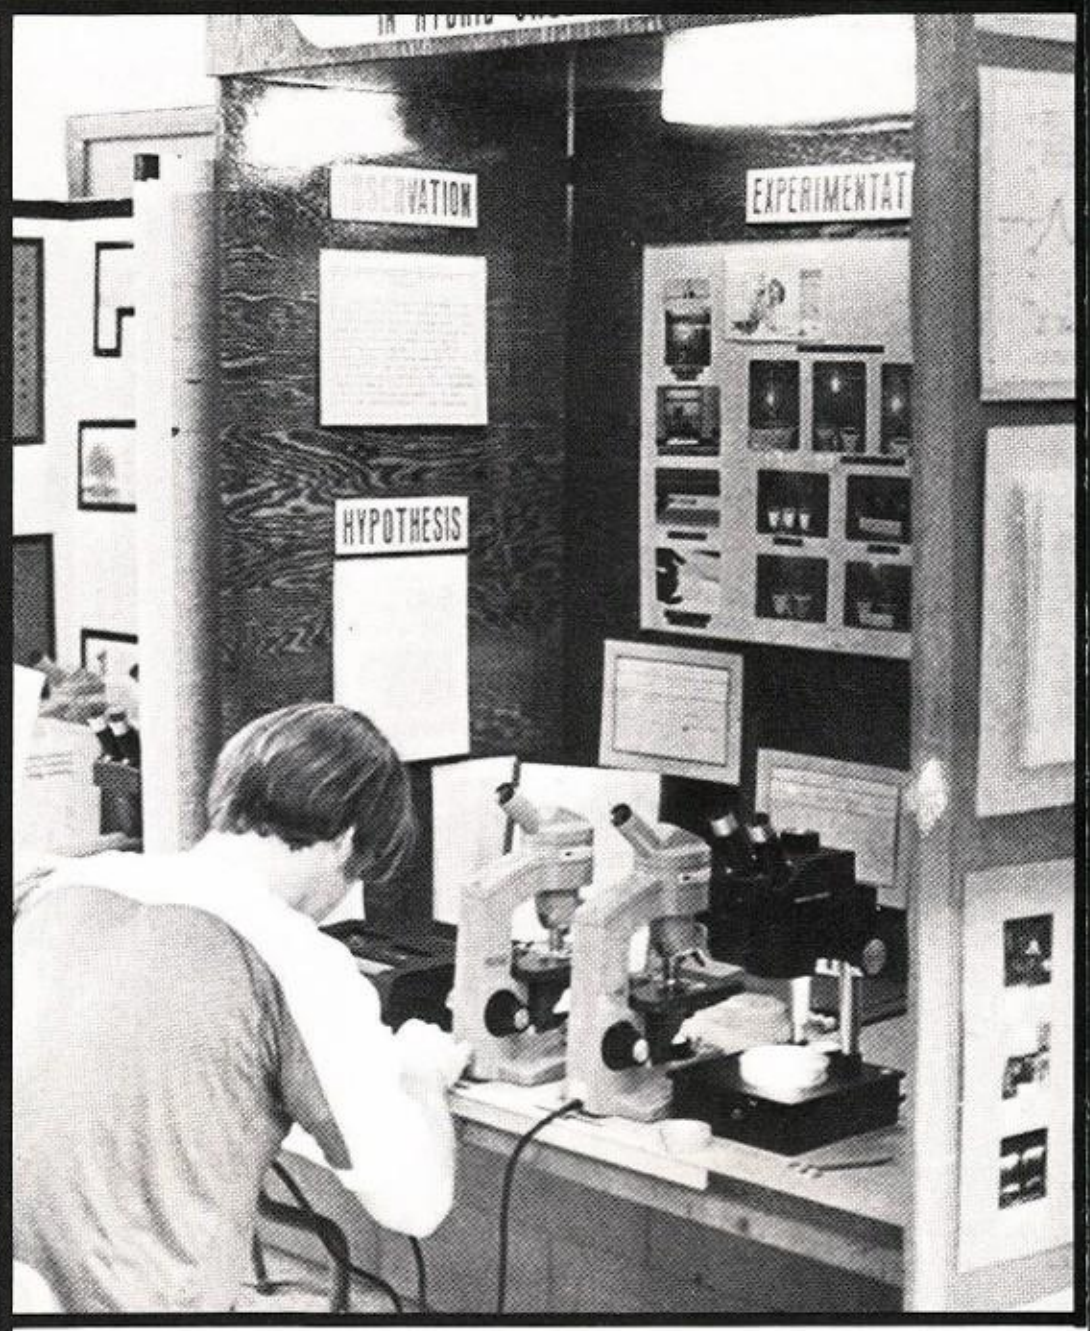
Science Wins

The Science Department of 1977-1978 had its best year ever for C.E. King High. What was hoped to be a year of great accomplishment exceeded the expectations of the department and the students.

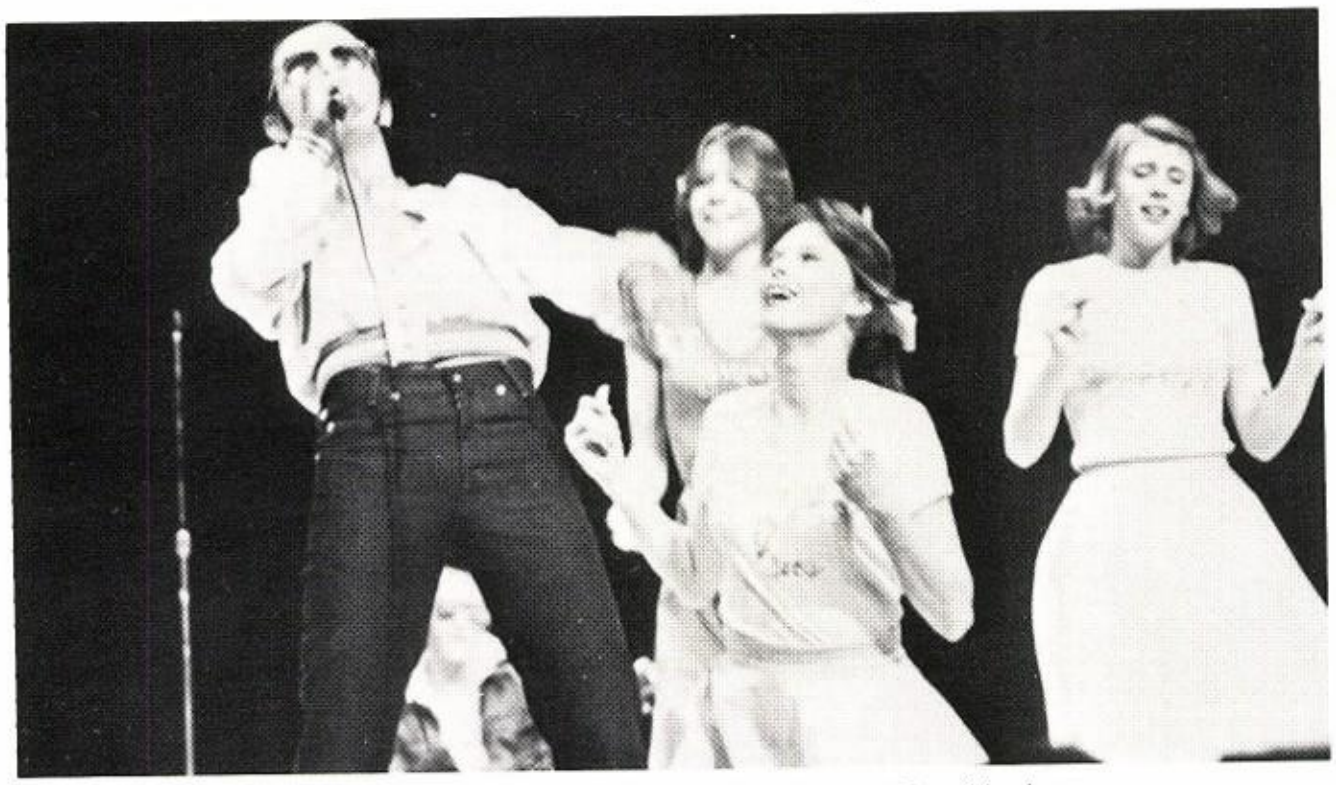
One such accomplishment would have to be the fullfillment of the Houston Post Science and Engineering Fair. Representing C.E. King with the highest honors, given a student from the fair was Bobby Lowe. His project on hurricane motivation was awarded the second place trophy in Earth-Space category, a $1200 work fellowship from the Institute of Storm Research and the Most Outstanding Award from the American Meterological Society.

Other award winners include John Lumb, Tim Lacy, and Warren Wilbanks.





Broadway Comes to King



"Elvis eat your heart out," claims Mike Kerr as "fans" look on.

The glistening sounds of Broadway's big hit "Bye Bye Birdie" filled the auditorium February 10th and 11th. The production was a success but, few people in the audience realized all the hard work, headaches, strained nerves, and the long hours put in to make the play that way. Ms. Claudia Neal was the director of the sixty-five member cast with Mr. Dennis Anderson as the music director.

Now that it is all over, all students involved have an experience that will always be remembered. During all the needed practicing there were many new friendships made and even though it is over now the production "Bye Bye Birdie" will never be forgotten.

Linda Ponder, Mr. Wathen, Kathy Brune, Dianne Long, and Janice Snow stand in front of Washington Cathedral.

Close-up '78 was a week of learning and fun combined with new experiences for 15 C. E. King students and sponsor Bill Wathen. The week began on January 22 and did not end until January 28, but during these days the students were able to see the American government in action and to have total self involvement.

The snow being a rarity to a C. E. King student added a special excitement to the trip along with the many new sights of Washington. The Jefferson Memorial, the Lincoln Memorial, and the Washington Monument were just a few sights viewed by the students.

The students attending the Washington trip included: Sandra Baker, Rusty Bonnett, Kathy Brune, Laurie Estes, Dean French, Tish Hearon, Marvin Langley, Dianne Long, Terry Nutt, Gaye Ransom, Janice Snow, Leslie Wilcox and Jerri Wooley. Close-up II Students were Rhesa Davis and Gaye Stokes.

Debbie McKinnley shows good technique in soccer.

Students of Physical Education this year will be playing a variety of sports, such as Baseball, Basketball, Football, Volleyball, Kickball, and Soccer. Aside from these traditional activities, cageball and Archery have been added to the list.

Cageball is played with a large ball which is tossed in the middle of 5 or 6 rows of students. The object of the game is to get the ball to your goaly by hitting it to the opposite end of your row. The team that ends up with the most points at the end wins the game.

Archery is another activity that the students enjoy playing. It is played by shooting a bow and arrow toward a target and scoring points.

Students also are now looking forward to playing tennis at the end of the year.

Annette James and Kathy Hall play the position of goalkeepers.

Melisa Walls, Dawn Webb, and Lisa Sandifer put everything they have into the activities of the day.

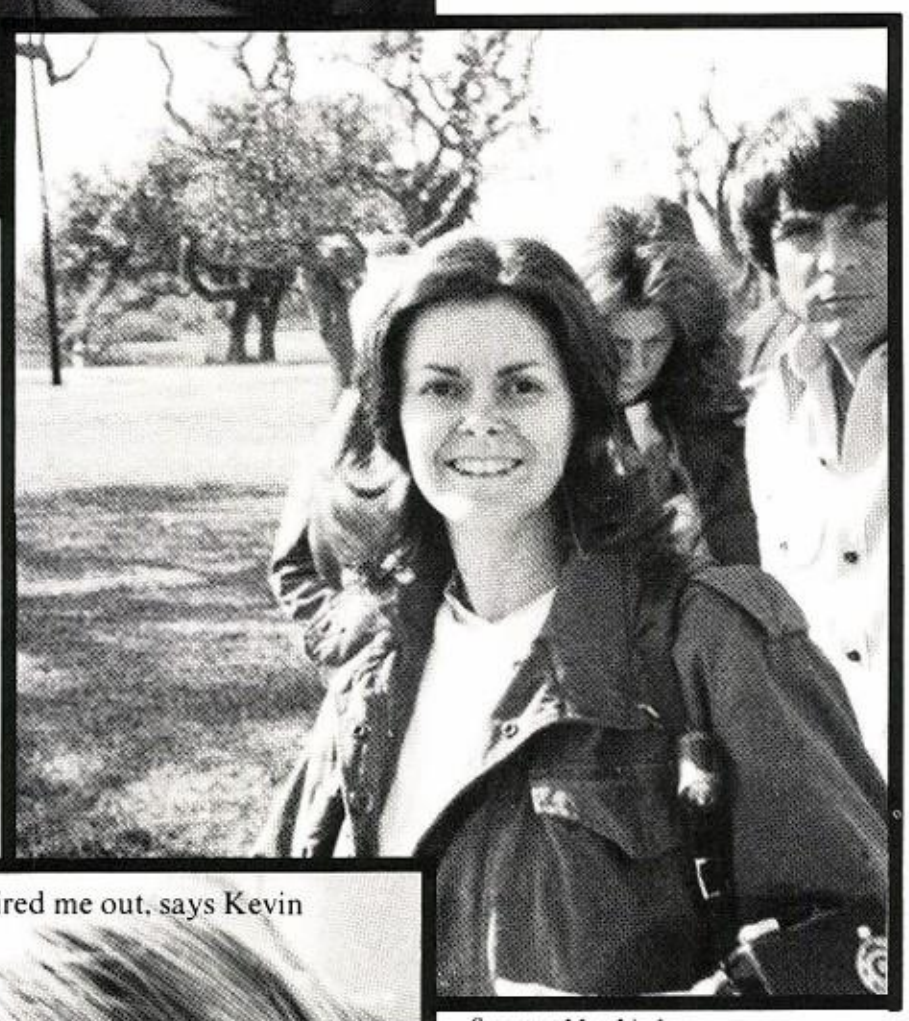
Cathy Colvin finds camping out a real riot.

Bio-Med Goes Wild



The Bio-Medical Careers Club's biggest event this year was their weekend trip to Welder Wildlife Refuge in February. Armed with flashlights, sleeping bags, and lots of firewood, they set out on a school bus to face the "wilderness." They learned of the area's natural history, made casts of animal tracks, and tried their hands at nature photography, setting traps, making study skins and chasing javelina.

Cheerleaders Chosen

The 1977-78 Cheerleaders are as follows: Head Cheerleader Jenny Reneau, Sr. Vanessa Kelley, Janet Cryer, Jr. Bunny Lowery, and Soph. Brenda Noland. There was only one returning cheerleader this year. The squad this year not only had a new head cheerleader, they also had a first year sponsor, Mrs. Ruby J. Smith. During the summer, the squad attended summer camp at Sam Houston University. While there, the cheerleaders were awarded five superior ribbons and the spirit stick during competition. During camp, a cheerleader learns "the tricks of the trade." She attends jumping class, technique class and *Boogie* class! These are to supply the girls with style and rhythm.

Other activities include tumbling, exercising, learning a new cheer every day and planning a pep rally. At the end of each night, each squad performed what they had learned during the day in front of judges.

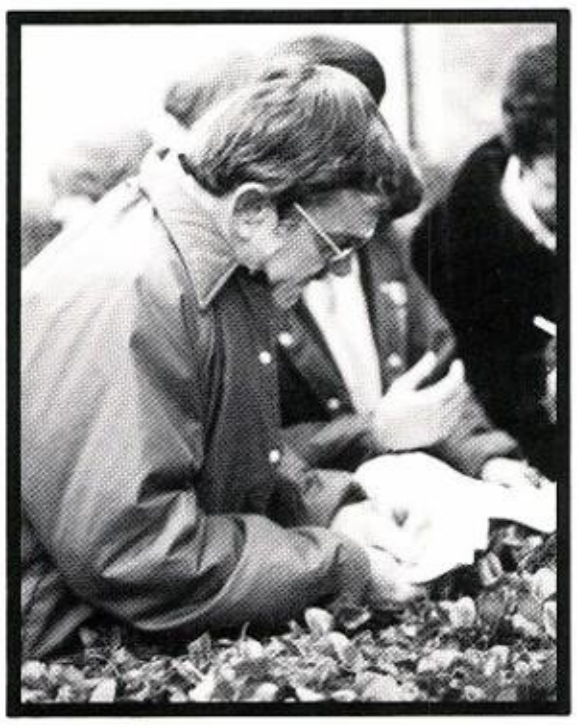
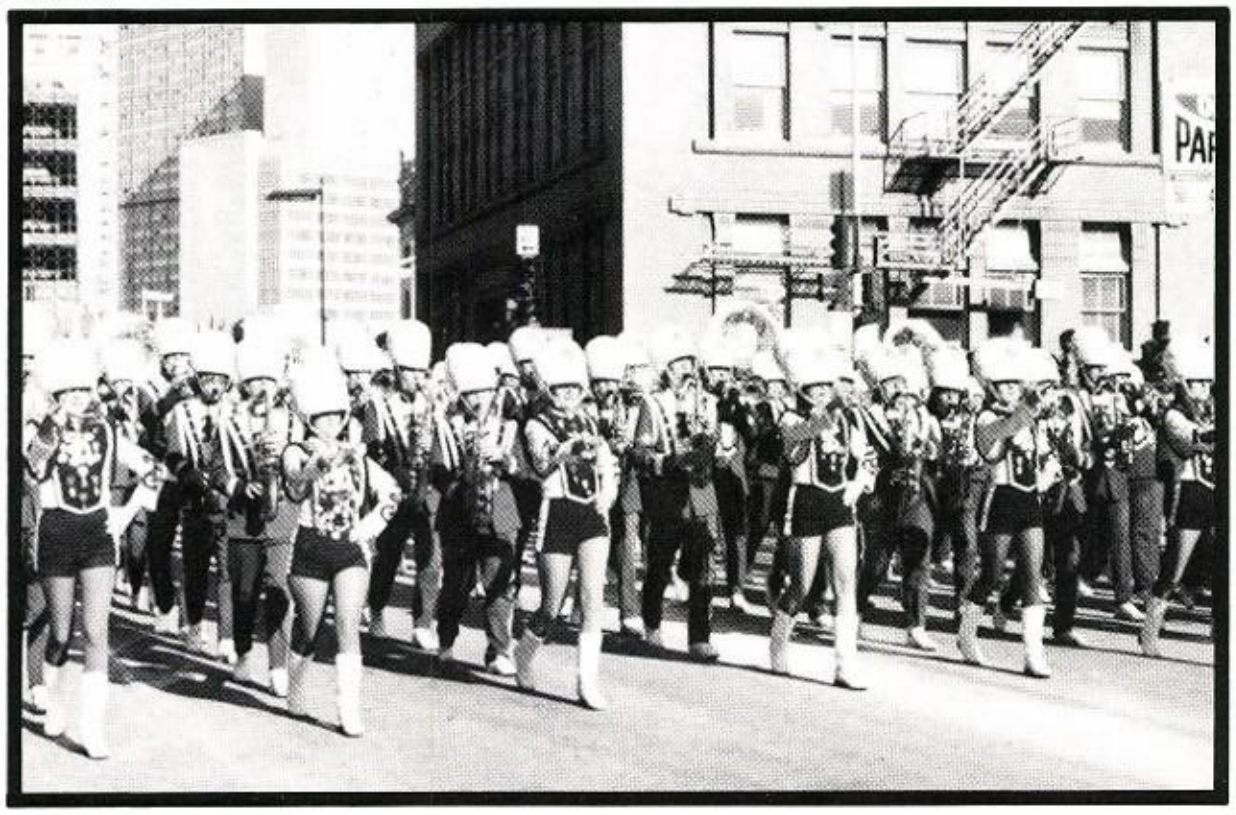
C.E. King Band at The Cotton Bowl

This year the C.E. King marching band accepted an invitation to march at the 1977 Cotton Bowl. This was a real treat for most of the members because the majority had never been on an airplane ride before. It took a lot of hard work to plan and make enough money for the trip to Dallas. The band reserved two planes. The money situation was another thing. Who would think that a bunch of kids could raise enough money for a big trip by using nothing except willpower? Well that was the main reason that the band raised nearly $20,000 dollars!



Mr. Heuberger has a big problem. The BAND!



The Band marches in the Cotton Bowl Parade.

The pantherettes seem to make every year just as exciting as the last. On Thanksgiving day the Pantherettes marched in the Foley's Thanksgiving Day parade. To add to their collection of awards, they won the Sweepstakes trophy and were "Best of Class" in the Jazz dance at the Channelview Competition on December 9. Their annual Christmas banquet was held at the Red Lion Club. To earn money for the banquet, and Spring trip they sold popcorn and earned a total of $1,500.00.

KCU Sponsors 5th Quarter

What a great year it was for the King Christian Union! With sponsor Mr. Gene Shine and president Jimmy Lowe under the leadership of Christ Jesus, how could they miss? In addition to the regular meetings, there were several special afternoon meetings. Dennis Sowell, minister of youth from Sheldon Baptist Church, presented the club with an afternoon of song and the club was singing again at another afternoon meeting with evangelist Bob Gabriel and pianist Steve Stanfield. During football season, the K.C.U. sponsored a "Fifth Quarter" after each home game. The Fifth Quarter was held at a variety of churches in the area and provided many activities. The K.C.U. finished off the football season with hamburgers at the First Baptist Church of Houmont Park. The supper was followed by a two-part program. Part one was a light-hearted fellowship followed by a solemn song and devotional presided by Dennis Evans of Houmont Park.

The best part of the year for Mrs. Gilberts' CVAE class is planning and preparing meals for the various clubs and groups. For instance, the dinner for the P.T.A., the Student Council, and the Teachers. While they are not baking, they're doing other fun things like selling candy. Many girls hope to go on and become professional cooks; we wish you all the luck, girls.

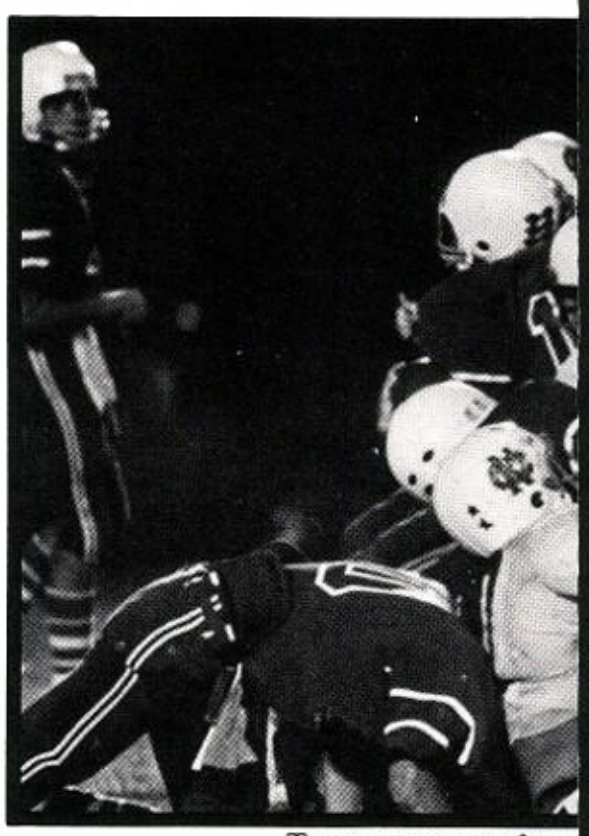
The change from offense to defense



Tense moments after

Quarterback Forrest Wychopen hands off to leading rusher Ben Seagroves.

At the beginning of the season, all senior football players dreaded the "Last" game. It signified an end to the years of playing football.

There were mixed emotions about the "Last" game. Some said, "No more Work-outs!" Others were hurt. It was the kind of hurt when you know there's no turning back, it's

The coaches selected 13 players from King this year. King had 6 players for All District: Ben Seagroves and Joe Wright on offense. On Defense the outstanding players were: James Burk, Steve Holder, Steve Turner, and Kyle Rice.

Also Honorable Mention had 7 on the list from King. On offense were Seniors Paul Matthews #52, Left Guard, and Steve Schreen #84, Tight End. Basketball Rounds Out Season

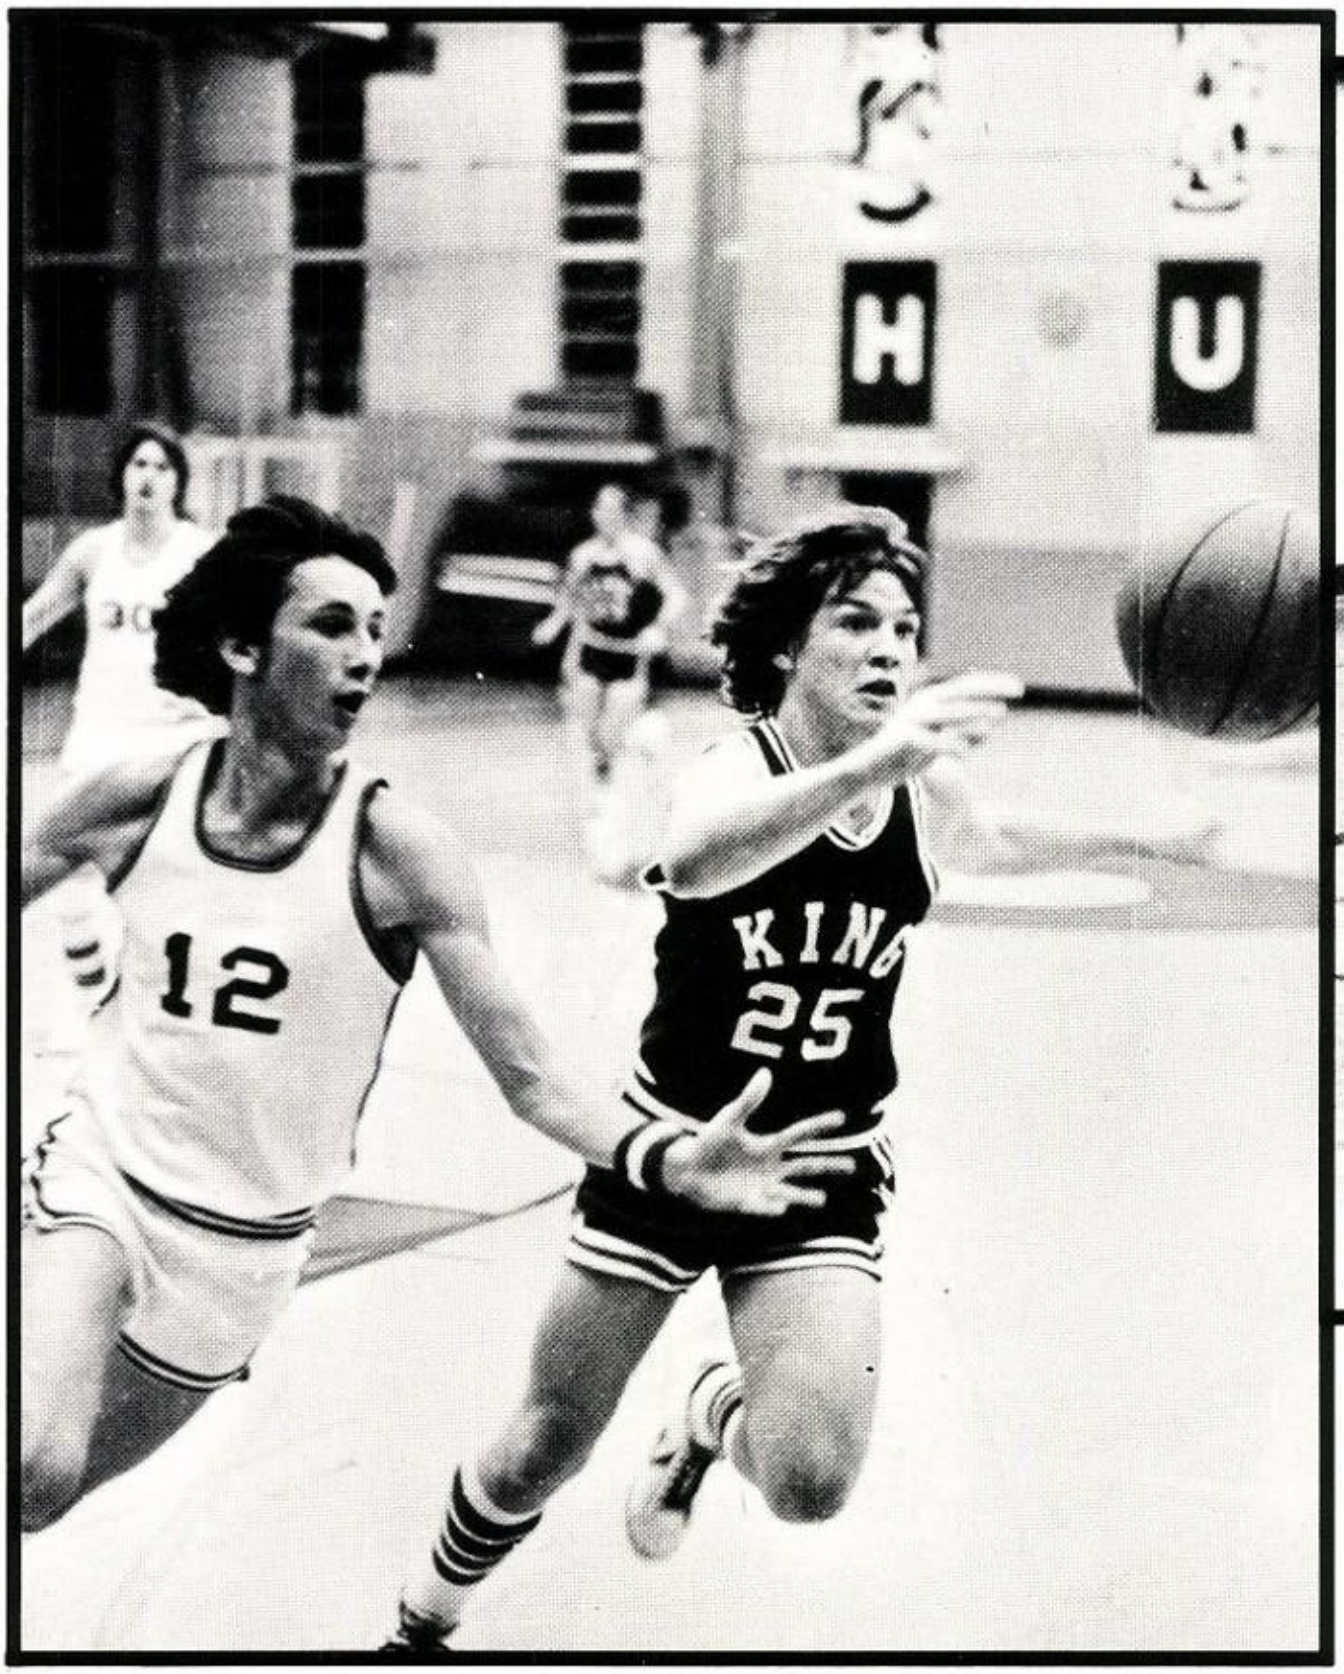
The 1977-78 Panther Basketball Team was one that began with limited experience and progressed steadily throughout the year. The Panthers started off fast with 4 wins opening the season and closed fast with 4 wins in their last 5 games for a 5-5 district record and third place in the South Zone.

The high point of the season was a victory over the 10 AAA South Zone winner, Carver at Carver handing them their only district loss, followed by a 15 point shellocking of traditional rival Humble, which knocked the Wildcats out of district contention.

The Panthers, with only one returning letterman, finished the season with a 14-16 season record and third place finish in district play.



"I've got it now!" Carl Grafte guards the ball.

And the race is on! Andy Aycock steals the ball from the Humble player.

3 Receive Honors

1st Team — All District — Carl Grafe. 6'6" Junior Carl averages 20.1 points per game and 11.2 rebounds per game. Carl was the only returning letterman. Playing the position of center, Carl did a fantastic job for King.

2nd Team — All District — Andy Aycock. 5'11" Junior. Andy played the position of Guard and averaged 10.2 points per game.

2nd Team — All District — Kenny Robbins. 5'11" Junior. Kenny played the position of Guard and averaged 10.0 points per game.

Three boys received Basketball Honors this season: Andy Aycock, Carl Grafe, and Kenny Robbins.

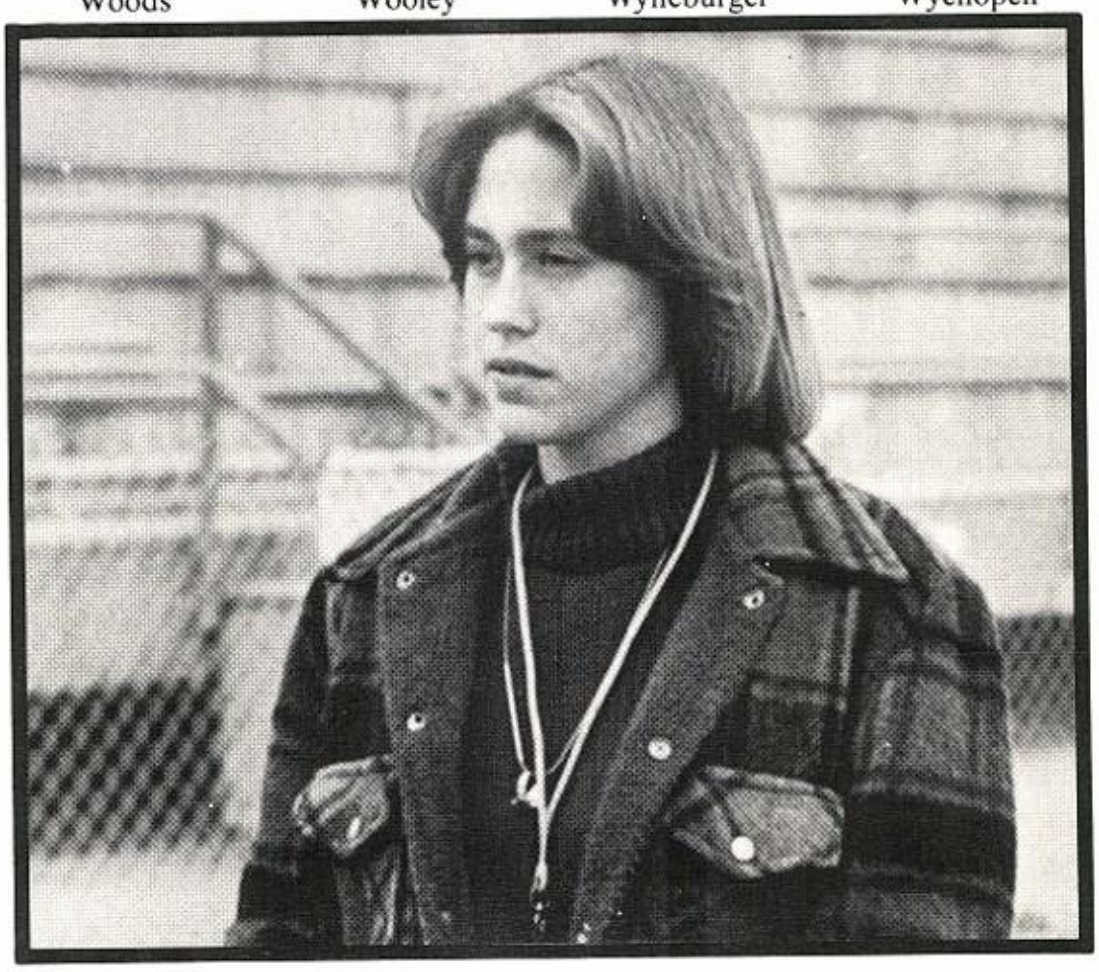
This year's junior class had been working hard all year to raise money for the Junior-Senior Prom of 1978. March 25th came quickly for some people since the prom was earlier than usual, but it was beautiful. The site was the Height Regency, the same as last year. The juniors did a great job and their hard work and determination paid off tremendously. Money raisers were candle sales and magazine sales. Dean French sold a fantastic amount of 201 candles. The magazine sales also went extremely well. The prom was a delightful and memorable evening for both students and teachers.



Kevin Grossinger waits for the band to get on the field for practice.

The freshman class this year is the largest we've ever had and has accomplished more than any other freshman class. First of all our girls volleyball team placed first in the district. So we collected money to buy them a plaque with all the girls names on it, the coach and the manager.

In the homecoming hall decorating contest we placed second, no freshman class has ever done this before. We also had alot of help from our sponsors, like providing the paper etc. We also did pretty good in the pep rallies. We didn't do so bad in the money drive but we collected forty dollars which helped a lot.

I think the whole freshman class has the spirit to achieve in everything this year, and we are looking forward to SaJaSaf.

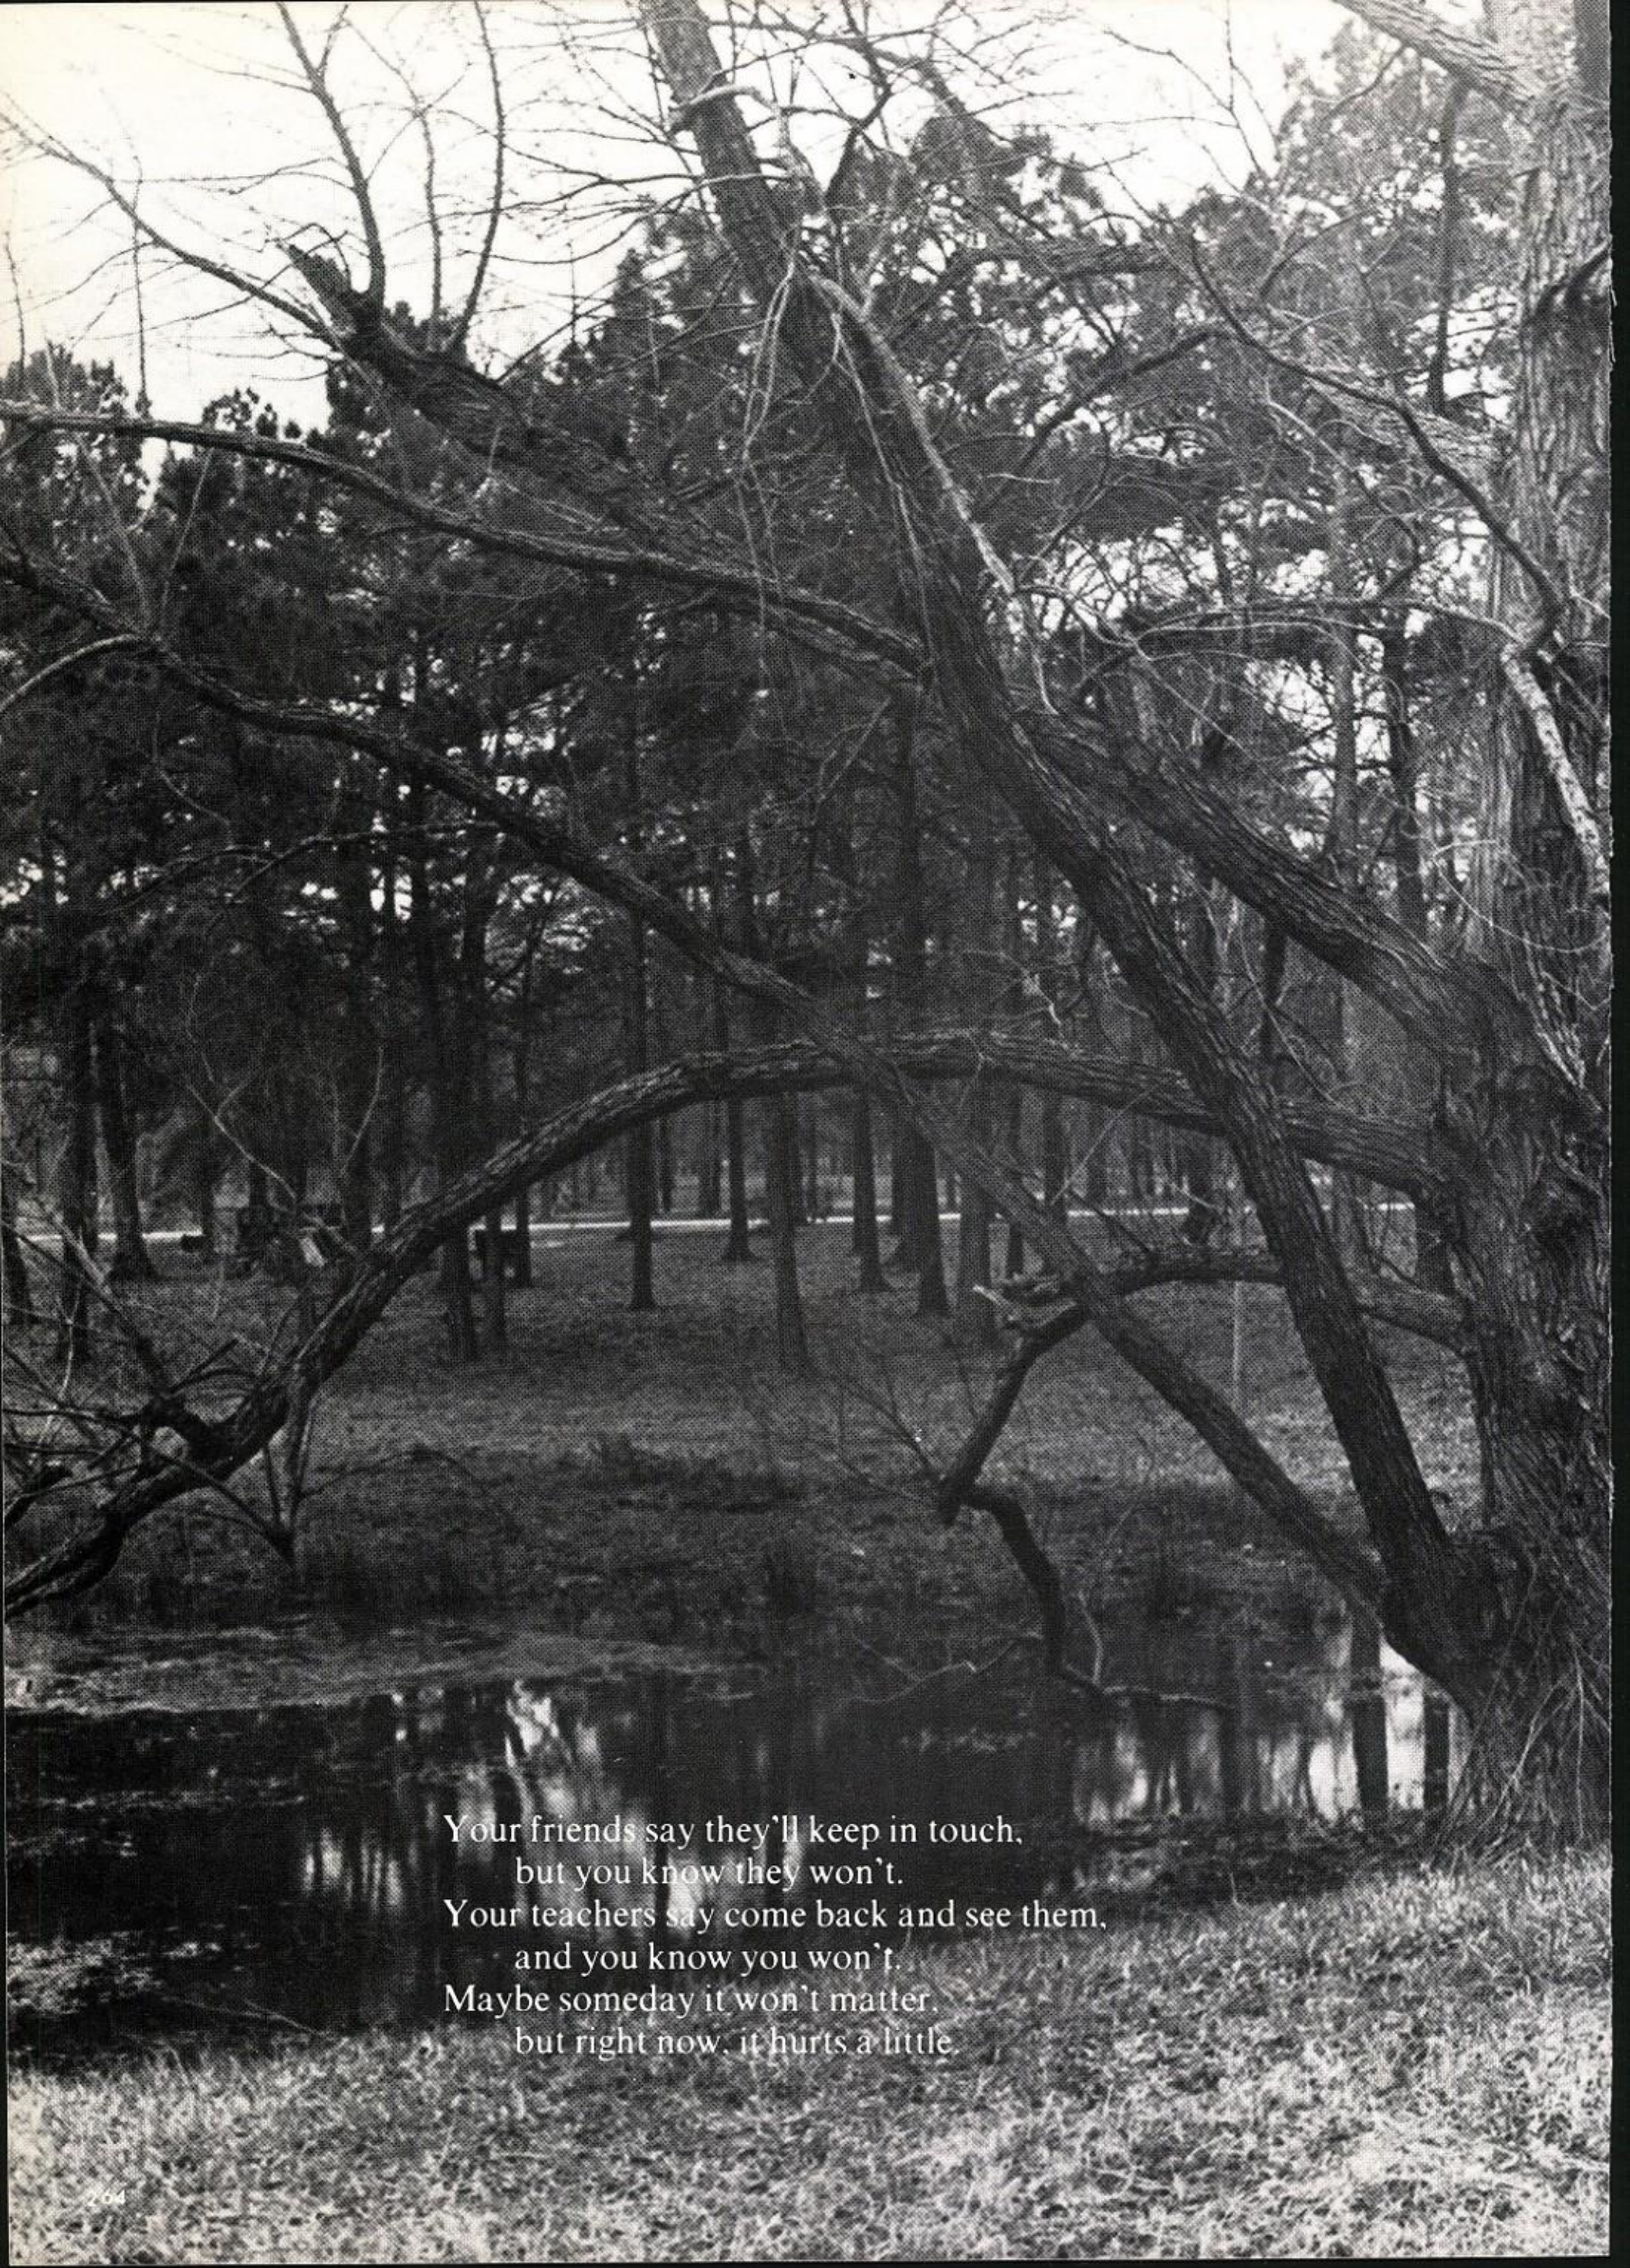
Remembering

1977-
1978

Your friends say they'll keep in touch, but you know they won't. Your teachers say come back and see them. And you know you won't. Maybe someday it won't matter. But right now it hurts just a little.



Your friends say they'll keep in touch,
but you know they won't.
Your teachers say come back and see them,
and you know you won't.
Maybe someday it won't matter,
but right now, it hurts a little.
